

Document Management Made Easy

Epson document scanners come standard with **Epson Document Capture software** for document management—ideal for capturing, enhancing and organizing electronic documents with ease.

Capture

Easily capture and store critical documents.

- Intuitive menus
- Built-in navigation tools
- One-touch operation to set up common tasks
- Scan to the cloud^{4,5} — easily share and manage files (with the software loaded to your PC or Mac®)

Enhance

Improve image quality so information can be better utilized.

- Select text enhancement to sharpen scanned text and remove background
- Adjust the dpi settings to enhance or reduce image detail and file size
- Remove punch holes to recognize and delete blank pages
- Automatically rotate documents so they are oriented correctly

Organize

Easily create separate files from a stack of documents with page separation features including:

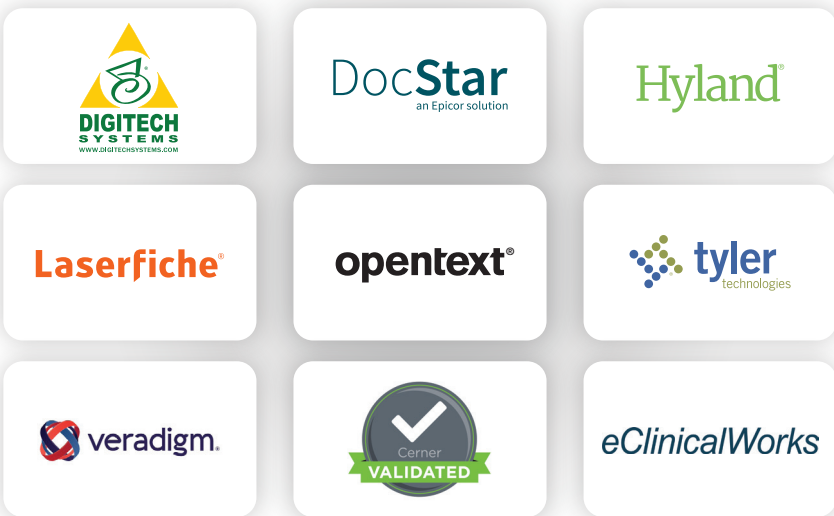

- Fixed page — when each document is the same size
- Blank page — set sensitivity detection to low, medium or high
- Barcodes — use with a wide variety of barcode types
- OCR — separate jobs based on text or numbers on pages

Seamless integration with industry-leading software solution providers

At Epson, we've partnered with over 70 leading software solution providers to ensure our scanners are compatible with a wide array of applications, representing a host of key industries.

A Solution
for Every
Business
Need

Mobile Scanners

These lightweight mobile document scanners let users scan documents, ID cards and more, whether working in the office or remotely. For even more flexibility, this versatile lineup includes wireless and battery-operated models for easy, efficient organization in virtually any setting.

Compact Desktop Scanners

These efficient scanners deliver performance and features that are comparable to traditional desktop document scanners, while saving up to 60 percent of desk space¹⁷. Get the most out of your workspace with a vertical paper feed system; single-pass, 2-sided scanning; an ADF; and remarkable media versatility—scan standard paper, cards and even passports¹⁸.

Desktop Scanners

These fast, efficient scanners breeze through stacks of 2-sided documents, plus rigid ID cards, documents up to 8.5" x 240" and more. Designed for situations where speed is critical and dependability is paramount, these workgroup scanners offer world-class performance at competitive price points.

Network Scanners

Dedicated network scanners make it easy for your workgroup to efficiently scan and share stacks of 2-sided documents, as well as rigid ID cards, documents up to 8.5" x 240"¹² and more. Enhanced performance features, PC-free scanning capabilities and simple, dedicated presets make these network models perfect for businesses that value security, dependability and speed.

Workgroup/High-Speed Scanners

Designed with ultra fast speeds, larger ADF capacities and higher duty cycles, these high-efficiency workgroup scanners make it easy to take on any project with world-class performance. Choose from standard and large-format desktop models to quickly digitize 2-sided documents, folded pages¹⁹, plastic cards, sealed envelopes, passports and more.

Flatbed Scanners

Offering high-speed duplex document scanning along with flatbed versatility, these scanners are the smart solution for fast, easy scanning for virtually any need. Use the high-capacity ADFs to blaze through stacks of 1- or 2-sided documents.

Large-Format Flatbed Scanners

Ideal for oversized or odd-sized items, these large-format flatbed scanners deliver the flexibility you need for special projects that can help seal the deal.
